CONFLICT OF INTEREST

All persons in the position to control the content of an education activity are required to disclose all relevant financial relationships in any amount occurring within the past 12 months with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. A primary mechanism to resolve identified conflicts of interest is a content review that is prior to the activity.

DISCLOSURE TO LEARNERS

The program participants have submitted conflict of interest statements and any conflicts have been resolved.

NON-DISCRIMINATORY PRACTICES

Scottish Rite for Children does not discriminate on the basis of race, color, national origin, religion, sex, disability, military status, sexual orientation or age. Scottish Rite is committed to accessibility and non-discrimination in all aspects of its continuing education activities. Participants who have special needs are encouraged to contact program organizers so that all reasonable efforts to accommodate these needs can be made.
