WHAT OUR VOLUNTEERS ARE SAYING:

"It is easy getting caught up in your life and career. It's so humbling to spend a few hours a week in the evening with the patients and play games."

"With volunteering, you get back more than you give. I have made so many great friends and memories at the hospital. It's like my second home."

Glenn
Volunteer since 2009

"After my children went out on their own, I felt I had so much more to give. I wanted to share my energy, time and love where I could bless others. Scottish Rite Hospital was the perfect choice."

THE Bernice and Brudus Meyerson Jr. Volunteer Program

Each summer, junior volunteers make a difference at our hospital by participating in one five-week or one four-week volunteer session.

Teens, age 14-17, will:

- Volunteer in a variety of hospital departments and learn new skills
- Plan and execute an annual fundraiser
- Gain experience that will open doors to future college and career pursuits

Check the website starting **December 1** each year to sign up for an information session and learn more about the upcoming summer program. Visit scottishritehospital.org/jrvolunteer for details.
