

FINANCIAL ASSISTANCE PROGRAM Q & A's

Q: What is Crayon Care?

A: Crayon Care is the financial assistance and charity care program that is available to those who qualify. It is not a form of health insurance but can help to reduce out-of-pocket expenses for both insured and uninsured patients.

Q: Who can apply for Crayon Care?

A: All Scottish Rite for Children families are welcome to apply for Crayon Care.

Q: I don't think I would qualify for Crayon Care. Do I still need to apply?

A: It is not a requirement to apply for Crayon Care; however, we encourage all families to apply. Every family can qualify at some level, for either a discount on services with an annual cap OR a cap on total expenses incurred at SRC.

Q: How much will I have to pay?

A: Families are limited to pay no more than 1% of their annual gross income for 12 months, but may qualify for 100% financial assistance, depending on their household's annual gross income.

Q: Do I have to renew my application?

A: Yes. Applications must be renewed on an annual basis.

Q: Can I apply for financial assistance after my visit to Scottish Rite for Children?

A: Yes. Families can apply at any time as long as there is an outstanding balance.

Q: Parents are not in the same household. Which parent needs to complete the application?

A: The subscriber on the insurance needs to complete the application. A patient who has active Medicaid or CHIP is not required to apply.

Q: How do I apply for Crayon Care?

A: 1) Complete the two-page application; 2) Provide proof of income for all household income earners; 3) proof of 1% of your annual gross income in medical expenses within the last 12 months.
