SCOTTISH RITE

ORTHOPEDIC AND SPORTS MEDICINE CENTER

“Scottish Rite for Children Orthopedic and Sports Medicine Center is at the forefront of treating, studying and providing education for conditions that impact the health of young athletes’ muscles, joints and bones.”

Philip L. Wilson, M.D.

Assistant Chief of Staff and Director of the Center for Excellence in Sports Medicine

“Scottish Rite for Children carries forward our mission to give children back their childhood, through unsurpassed medical care and a dedication to our core values.”

Lyndon L. Olson, Jr.

Chairman of the Board, Texas Scottish Rite Hospital for Children

“Just like at our Dallas campus, treating the whole child is a guiding principle of our Frisco facility.”

Daniel J. Sucato, M.D., M.S.

Chief of Staff, Texas Scottish Rite Hospital for Children

“Our staff is committed to delivering excellence in care and all the elements that have made us extraordinary since 1921. We are especially grateful for the support of the Frisco community.”

Robert L. Walker

President/CEO, Texas Scottish Rite Hospital for Children

“As a physician specializing in the orthopedic needs of female athletes, I am excited about the tremendous resources we have to offer our patients at Scottish Rite for Children.”

Jane S. Chung, M.D.

Sports Medicine Physician

MARKING A MILESTONE

With the Grand Opening of Our Frisco Location

ON OCTOBER 25, WE CELEBRATED THE RIBBON CUTTING AND GRAND OPENING of the first constructed satellite location in the hospital's 97-year history — **Scottish Rite for Children Orthopedic and Sports Medicine Center** in Frisco.

This innovative, 345,000-square-foot facility was designed to meet a growing need for patient care in the rapidly expanding North Texas area and beyond. It is located at the northeast corner of Lebanon Road and the Dallas North Tollway.

The Frisco campus is anchored by our Center for Excellence in Sports Medicine. It offers a full range of leading-edge care, tailored to the unique needs of young athletes, such as a state-of-the-art Movement Science Lab and a variety of sports therapy and training surfaces, including indoor and outdoor running tracks.

It also offers day surgeries, orthopedic outpatient clinics and a fracture clinic with walk-in hours. In addition, the Frisco campus includes hand, rheumatology and radiology services, as well as sports, occupational and physical therapy and more.

Donald E. Katz, Scottish Rite Hospital vice president of Facilities & Process Design, led the project and ensured the campus would have resources for the local community to enjoy as well. These features include a walking trail, playground and youth (U-11) soccer field. Learn more at scottishritehospital.org/frisco.

Cornerstone Leveling Ceremony

Masons have historically performed a special dedication ceremony called the Cornerstone Leveling for newly constructed buildings. On September 19, Masonic officials representing the Grand Lodge of Texas, Scottish Rite Hospital trustees and Masons from throughout the state gathered to confirm that our new home in Frisco was, in fact, built strong and secure. The Grand Master of Texas, Tommy F. Chapman, led the proceedings. ○

Grand Opening Event

October 25 marked the grand opening of Scottish Rite for Children in Frisco. Excitement was in the air as attendees celebrated this historical event. Frisco High School cheerleaders and drumline welcomed guests, as community leaders, city officials and friends joined hospital staff and patients in a festive ribbon cutting ceremony. The night ended with a community-oriented open house for everyone to tour the new colorful, state-of-the-art facility. We are looking forward to helping more children move freely in North Texas! ○

Ready, Set, Frisco!

On October 10, Scottish Rite for Children officially opened its doors to receive patients. The center's expert medical staff is excited to offer world-renowned pediatric orthopedic care to children and young athletes in Frisco and throughout the region at this new, innovative facility. ○

L to R: The Scottish Rite for Children medical leadership team, Corey S. Gill, M.D., M.A.; Shane M. Miller, M.D.; Jane S. Chung, M.D.; Phillip L. Wilson, M.D.; and Henry B. Ellis, M.D., will guide the new campus.

Rathjen, M.D., assistant chief of staff and Scottish Rite Hospital Foundation president.

BRIGHTENING UP FRISCO — DAY AND NIGHT

Longtime hospital friends HKS Architects, Inc. and The Beck Group designed and constructed the stunning **Scottish Rite for Children Orthopedic and Sports Medicine Center** in Frisco to reflect the bright colors and welcoming atmosphere of the Dallas campus. The facility is open Monday - Friday, 7:30 a.m. - 4:30 p.m. For Fracture Clinic hours or more information, visit scottishritehospital.org/frisco.
