

GUIDELINES FOR USE OF OUR PLAYGROUND

We appreciate your interest in holding a birthday party at the Scottish Rite for Children playground in Frisco. Please refer to the guidelines below when planning your event. If you have any questions or concerns, please contact us at 469-515-7225 Monday through Friday and 469-857-2000 on the weekends.

- Although one party at a time will be scheduled under the pavilion, please keep in mind that other visitors, patients and their families will continue to have access to the playground at all times.
- In the event of inclement weather and/or if the grounds are saturated, the playground will be closed. If in doubt, please call 469-857-2000 and ask if the playground is open. If the playground is closed, you will need to either reschedule your party or make other arrangements for an alternate location.
- For the safety of our patients and children attending the party, only Mylar balloons are allowed on hospital property. Latex or plastic balloons are not allowed as they pose a choking hazard and can cause severe allergic reactions in some children.
- Tables and chairs are available for your use and can accommodate up to 24 people.
- For the safety of the children, no barbecue grills or open flames of any kind are allowed.
- Trash receptacles are provided for your use. Please leave the playground area in the condition in which it was found.
- Restroom facilities are located inside the pavilion on the north side of the playground.
- Animals are not allowed on the property unless they are service animals.
- Out of respect for our children, smoking and alcoholic beverages are not allowed on the property.
- A wide array of equipment is available in the playground. Additional entertainment, such as bounce houses, food trucks, piñatas, bicycles, skateboards, roller blades, scooters, etc., are not allowed.
- In the event of a medical emergency, dial 911.
